ESSENTIALS OF PEOPLE MANAGEMENT PROGRAMME

'Leadership skills for Managers'

'It made me look at my leadership behaviours and consider how to adapt them'
Team Leader, Housing

COURSE OUTLINE

A manager's most important, rewarding and difficult job is to manage people. This workshop is aimed at new and experienced managers who want to sharpen their leadership skills and motivate, empower and develop their teams.

Who should attend:

The workshop is aimed at new and existing managers; supervisors, team leaders and anyone involved in people management

What you can expect::

A participative and interactive workshop which provides an insight into how to develop your style of leadership to bring out the best in people you work with. The workshop provides a safe environment to share experience and participants will benefit from working with real life case studies.

The outcome:

As a result of attending the workshop participants will:

- Understand difference between leadership and management;
- Become more self aware;
- Increase in confidence and effectiveness in developing the performance of your team.
