Stepping out of your comfort zone

STRATEGIC CAREER MANAGEMENT

'I am more energised to move my career forward' Telecoms Officer

COURSE OUTLINE

Feel stuck in your career, lack direction and purpose or may be you are facing the threat of redundancy and need clarity. The aim of this workshop is to identify, design and implement an achievable career development strategy.

Who should attend:

- If you are undergoing organisational change or restructuring;
- want to develop confidence for promotion;
- want to create a career development plan which fits your lifestyle;

What you can expect::

A participative and reflective one day workshop which will provide tools and techniques for effective career management. This workshop does not concentrate on CV writing or interview techniques but concentrates on creating a career vision and identifying steps to achieve this.

The outcome:

As a result of attending the workshop participants will:

- Gain a greater understanding of their career ambitions;
- Identify skills, competences and strengths
- Develop a strategy to raise their profile;
- Created career development plan.
