2007 BIBA Awards - Supplier of the Year Category*

Who We Are

P31 Consulting Ltd is an award winning people development consultancy which exists to unlock untapped potential of the workforce and to raise leadership capability.

Our Vision

To be the provider of choice for organisations seeking to motivate, empower and equip their people.

Our Services

We offer development programmes aimed at leaders, teams and individuals and executive coaching packages which are effective, inspirational and client focused.

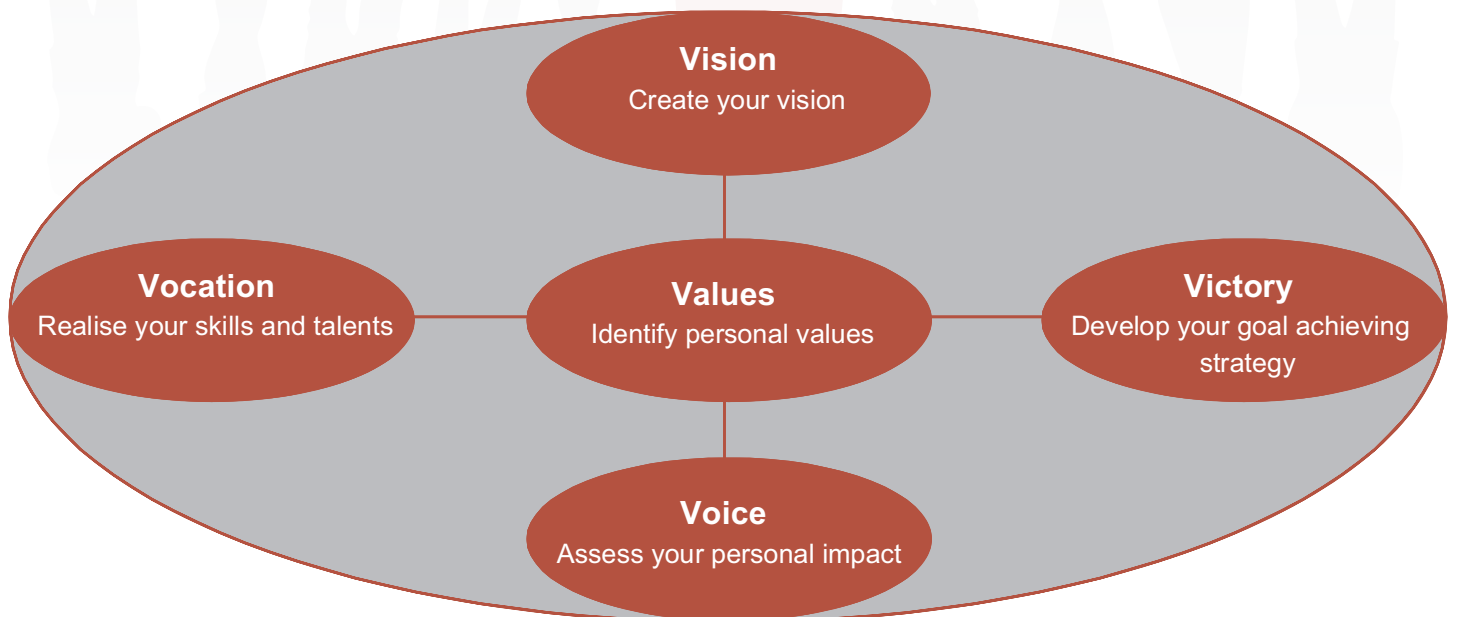

We also consult with organisations to ensure their working practices, policies and procedures are conducive to the potential growth and well being of their people.

How Do We Do This?

- **Engage** with our customers
- **Listen** to their needs
- **Design** tailored development solutions
- **Deliver** inspirational and thought-provoking programmes
- **Consolidate** learning through coaching

Personal Development Model - The V5

What makes us different?

We have a passion to develop leadership capability at all levels of the organisation. We have particular focus in advancing under-represented groups within the workplace and support organisations to develop meaningful programmes and procedures to ensure this.

Our programmes are made to suit client needs, but some of the topics we cover are:

Client Feedback

“Summed up in one word – GREAT – Excellent course. I gained a lot, not only from the course but from other participants as well. I highly recommend this course.”

***Participant of Act-u-vate
Women’s Career & Development Workshop***

“This workshop was stimulating and very well facilitated. I came away with clear ideas and goals to personally deliver and contribute to the team goals.”

Cabinet Office Team Away Day Workshop

“The workshop was on the whole very good, very interactive, encouraging the participants to engage with each other and the tutor.”

BT Transforming your Career Workshop

“I greatly enjoyed and benefited from my coaching sessions. The coach has a very open and flexible coaching style which allowed me to wander into different areas.”
