P31 Virtues

Lost your identity, walking in someone else's shoes. Chasing another's rainbow, dreaming someone else's dreams. But consider for a moment who you really are, designed for a purpose to soar above the stars.

P31 NETWORKING

Vol 1 January 2006

Hi and welcome to the new look P31 Networking (formerly P31 Networking Consultancy).

P31 Networking is designed for enterprising women who are looking to further their career or start their own business. It is part of P31 Consulting Ltd which offers coaching and training solutions to both men and women who want to release their untapped potential and maximise their performance both personally and professionally.

P31 WOMEN™

Are you a P31 Woman?

P31 comes from Proverbs 31 about the entrepreneurial woman who seemed pretty good at managing her family, business, investments and household.

More and more women approach us seeking to 'step out of their comfort zone' and unleash their potential. So we wanted to cater for this group direct through this newsletter which will offer regular features, tips and information designed to help you create a roadmap to give you the confidence and skills for your success.

We offer workshops, seminars and one to one coaching to help unlock, untapped potential. We have several workshops coming up during March 2006 to celebrate **International Women's Day**.

ACTIVATE WORKSHOPS - Encouraging Excellence through Empowerment

This powerful workshop will help you

- clarify your vision
- know your value
- unleash your genius
- create a roadmap for your success

What women are saying about ACTIVATE

'It was excellent as we were able to talk to each other, work in small groups and also individually' F.A, NW London

'Working with other women with common goals and aspirations was enjoyable'. Sandra

P31 Networking is part of P31 Consulting Ltd, which specialises in maximising individuals and organisation through performance coaching and workforce development.
